G-STAR RAW

SALES SUPERVISOR | ROSS TOWNSHIP, PA | JUNE 2019 -PRESENT
 I am currently part of the full time management team at G-Star RAW Pittsburgh in Ross Park Mall. I have been with the company since May 2018. I handle all responsibilities on the sales floor from customer service to operational responsibilities as well.

THEATRE TECHNICIAN/ SCENIC CARPENTER

SETON HILL UNIVERSITY THEATRE DEPARTMENT | GREENSBURG, PA |
 AUG 2014- MAY 2018

I was able to uphold this work-study all four years at Seton Hill University. My title was senior carpenter for the Scene shop for the theatre department on campus. I can handle most power tools and am use to lifting things. It is physical and mental job. A lot of problem solving and creative thinking is involved and I really enjoyed that aspect as well as my co-workers.

CONTENT CREATOR/VIDEO EDITOR - INTERNSHIP

SETON HILL UNIVERSITY FOOTBALL | GREENSBURG, PA | AUG - DEC 2017

Interning with the university's football team consisted of creating social media content, primarily on Twitter, for the 2017 season. I also edited film to create weekly highlight videos solely for the players and the coaches. These videos were produced to create excitement for the team and to give them a look at their past play. I incorporated some of my own photography, as well as photos and film provided to me, to produce this content. It was very fast paced environment and I alone worked on these projects but under the direction of one the coaches.

MARKETING/GRAPHIC DESIGN- INTERNSHIP

STAGERIGHT! | GREENSBURG, PA | AUG - DEC 2017

StageRight! is a non-profit school for the Performing Arts and a Professional Theatre Company. A large part of this internship was focused on promotional brainstorming and design execution. This meant creating social media posts, ideas for contests for upcoming shows and producing small sign-age and other tasks for upcoming shows. I also helped work events for a few of the shows; from set up to tear down. We, two other interns and myself, worked closely with the Director of Marketing and Development as well as the Art Director.
